<b>TITLE</b>	Senior Accountant
<b>DEPARTMENT</b>	Accounting
<b>CLASSIFICATION</b>	Exempt
<b>LOCATION</b>	Elmhurst, IL or Greater Chicago Area preferred, remote work negotiable
<b>COMPENSATION RANGE</b>	\$75,000-110,000 per year

---

### THE COMPANY

GlidePath Power Solutions LLC is a developer, owner, and operator of clean energy projects throughout the United States. GlidePath is developing over 3,500 MW of projects across the country, with a particular emphasis in battery storage technology. Based in Elmhurst, IL (Chicago), GlidePath is poised to deploy \$1B in capital investments in the near-term.

#### GlidePath's Mission

To accelerate the energy transition to a 100% carbon-free electric grid deliberately and profitably through sustainable, accessible energy storage development, deployment, operations, and optimization.

#### GlidePath's Vision

To use our knowledge of the changing electric grid to develop projects in the most impactful locations in all US electricity markets. We aim to develop and deploy a fleet of energy storage projects that create added value in stabilizing the grid and that captures a diverse set of revenues. By 2026, GlidePath projects will be operational in every organized electricity market in the US.

### JOB DESCRIPTION

This role will be responsible for implementing best practices to ensure our financial records and reports are accurate, complete and in compliance with Generally Accepted Accounting Principles (GAAP). This individual will support internal and external stakeholders by supplying timely and accurate financial reporting and responding to inquiries about accounting transactions. This position is best suited for an individual with accounting experience in a fast-paced environment who is seeking an engaging role with exposure to the quickly evolving energy storage and renewable industries. GlidePath will also consider candidates without renewables industry experience that can grow into the role.

### RESPONSIBILITIES

- Ensure timely and accurate completion of various monthly financial close activities, including journal entry preparation and the preparation of monthly account reconciliations.
- Analyze business transactions for appropriate accounting treatment.
- Maintain books and records in accordance with US GAAP.
- Assist in the preparation of annual consolidated financial statements.
- Assist in the preparation of various monthly and quarterly financial reports, including the creation of standard and customized accounting system reporting capabilities.
- Support external audit and tax teams by providing requested supporting documentation.
- Oversee and manage the Accounts Payable process, including invoice entry, maintenance of vendor records, and responding to billing inquiries from internal and external parties.
- Prepare annual 1099 tax forms for distribution to vendors.
- Serve as a liaison and resource to business units to ensure an accounting perspective is brought into daily operations across the business.
- Identify and address finance and accounting issues as they arise.
- Answer ad-hoc requests for internal and external reporting for stakeholders.
- Perform other related duties as assigned.

## SKILLS & REQUIREMENTS

- Bachelor's degree in Accounting, Finance, or business-related field.
- CPA or CPA candidate preferred.
- 2+ years of accounting experience.
- Thorough knowledge of US GAAP.
- Excellent verbal and written communication skills.
- Excellent organizational skills and attention to detail.
- Excellent interpersonal skills.
- Excellent time management skills with a proven ability to meet deadlines.
- Excellent analytical and problem-solving skills.
- Skilled in Microsoft Excel.
- Experience with Sage Intacct desirable, but not required.

## ADDITIONAL SUCCESS FACTORS

- Demonstrated flexibility, proactive and able to work with ambiguity.
- Ability to work collaboratively with a diverse team of engineers, developers, project managers and commercial analysts.
- Works under general supervision.
- Strong analytical skills with demonstrated impact in previous roles.
- Industry experience desirable, but not required.
- Learning agility and 'scalability' to take on increasing responsibility as GlidePath grows.
- Customer service mindset to support business needs outside of the accounting function.

## PHYSICAL DEMANDS

The physical demands described here are representative of the requirements that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions to the extent such accommodation does not create an undue hardship on the business. While performing the duties of this job, the employee is regularly required to use a computer keyboard and mouse; reach with hands and arms; talk and listen. The employee is frequently required to sit or stand at a desk and utilize a computer for extended periods of time. Employee may also experience outside work environments while onsite as well as occasional travel.

*The above statements are intended to describe the general nature and level of the work being performed by people assigned to this job position. This is not an exhaustive list of all duties and responsibilities. Glidepath reserves the right to amend and change responsibilities to meet the business needs as necessary.*

## BENEFITS

Glidepath provides a comprehensive benefits package that include telecommuting, unlimited paid time off, medical, dental, vision plans, health savings account (HSA), 401(k), term life insurance, short-term and long-term disability benefits.
